

Transfer Guides for Regional Universities

Most colleges and universities in our area accept the Associate in Arts and Associate in Science degrees as completing the general education requirements in full. The table below outlines area baccalaureate institutions with their transfer guides. Kentucky Wesleyan College and University of Southern Indiana guides are included after the table.

Kentucky Wesleyan College / KCTCS General Education Program Equivalency

Introduction: There are many similarities between the Kentucky Wesleyan College General Education Program and the General Education Requirements of the Community College System. Most associate degree graduates can transfer to Kentucky Wesleyan with very few missing requirements, especially if they plan ahead. The following table illustrates the KWC general education program, KWC courses and typical KCTCS courses that will satisfy each requirement. This list is not complete. The KWC Registrar can analyze your transcript and provide you with more complete information 270-852-3119.
